General Information

EU Blue Cards are issued by EU member states to third-country nationals. The holder of an EU Blue Card is entitled to take up residence in the EU for the purpose of taking up gainful employment.

Requirements: Applicants must furnish proof that they have a university degree and have been offered a job that would provide a minimum gross annual salary.

In Germany the EU Blue Card can be obtained only from the competent local alien authority. Third-country nationals who are eligible for the EU Blue Card and who require a visa to enter Germany will be issued a national visa for the purpose of taking up gainful employment.
